OAI 4.0 CLUB
Come join the 4.0 Club to achieve that 4.0 GPA with other students in Engineering and ICS! Mondays - 7:00 - 9:00 PM
We will be holding the 4.0 Club Virtually until further notice.

First meeting: Week 2
Monday, January 10
Meeting location:
https://uci.zoom.us/j/95201382958

Program Benefits
- Get new perspectives
- Receive community support in the school of Engineering and ICS
- Learn time management skills
- UCI Student mentors
- Advising sn support to receive a 4.0 GPA
- Avoid procrastination
- Break the monoyomony of studying alone
- Meet new friends with common interests
- Learn collegiate study habits

The goal of the 4.0 Club is to improve the academic life of engineering and ICS students. The 4.0 Club will be a weekly study Lounge hosted by the Office of Access & Inclusion on Monday evenings throughout the quarter during which 4.0 Gurus will be available to help students with school work, talk with them about involvements with campus life, and to provide information about campus resources.
