UCI Transportation is excited to bring back on-campus biking events and programs. We have been working on providing new and updated offerings, from our Bike Rebate Program to a Bicycle-Friendly Driver Training webinar. We invite you to explore these monthly bulletins to stay updated on the latest events, safety tips, and BikeUCI Ambassador volunteer opportunities.

Our BikeUCI Ambassadors are avid cyclists who help us strengthen our biking community. Those who commit to becoming an Ambassador ahead of National Bike Month will receive an exclusive membership package to support their cycling needs. As a BikeUCI Ambassador, you can participate in various roles around campus while having fun!

Learn how you can make the most out of National Bike Month and enjoy a complimentary breakfast at BikeUCI Ambassadors’ Bike Month Kick-Off on Wednesday, May 4, at 9 a.m. We will go over upcoming bike events noted below and train you to assist the campus. Please R.S.V.P. by Friday, April 29, so we can get an accurate headcount.

May 4: Bike Month Kick-Off Breakfast
May 12-13: WhimCycle
May 18 & 21: Smart Cycling
May 25: Bike-Friendly Driver Virtual Training

Registering your bicycle is required for UCI and is an important step in securing your bicycle. In the event that your bike is lost, stolen, or impounded, your registration provides proof of ownership. Registration is free and lasts forever (or until a transfer of ownership).

Visit parking.uci.edu/BOTS to start your registration process today!

After registering your new bike, you may be eligible for our limited-time Bicycle Rebate Program. Qualified applicants who purchased a bike between December 1, 2021 and May 31, 2022, could receive a $50 rebate! Rebates are limited to one per person and all necessary forms must be submitted by June 1, 2022.
