THE BIOLOGY HOUSEcombines students interested in all areas of Biological Sciences.

- Residents living in this house are exposed to the various dimensions of the biological sciences and are encouraged to participate in symposiums, workshops, and activities occurring both on and off campus.
- Bio Sci Student Affairs advisors stop by once a quarter to provide academic advising.
- Biology majors and students who show an active interest in the biological sciences are encouraged to apply.

If you are interested in living in this theme house or have any questions, please contact the Sponsor:
