Graduating Counselors

Be sure to schedule future appointments with your graduating counselor!
*First available appointments begin week 7*

Maggie Anderson, Aerospace Engineering
Cesar Barrios, Electrical Engineering
Erica Juarez, Chemical Engineering
Mitzi Orme, Mechanical Engineering
Ushma Patel, CHC
Andrea Varon, Computer Engineering

Christy King, Civil & Environmental Engineering
Computer Science & Engineering

Materials Science & Engineering
IMPORTANT INFORMATION

Academic or Financial Hold
• Contact the department that placed the hold
• You must get the hold removed before your enrollment window!

FIRST Training!
• [http://first.uci.edu](http://first.uci.edu)
• Must complete by Friday of Week 7

Immunizations Record Submission
• DUE, October 22nd
• Flu vaccination by November 19, 2021
• COVID-19 Vaccination Policy required compliance by September 6, 2021

UCI DUO & Go
• All students utilizing a UCInetID will be required to use DUO to access UCInetID accounts on October 19, 2021. Sign up now by visiting [duo.oit.uci.edu](http://duo.oit.uci.edu)

Please use your UCI Email when communicating with anyone affiliated at UCI
SENDING EMAILS

Keep Emails Professional
- Use complete sentences, correct punctuation, grammar, and spelling
  - Do NOT use ‘text’ language, emojis, slang, etc.

MUST INCLUDE THE FOLLOWING:
- Subject line (what is this email regarding?)
- Greeting/Salutation (Hello, Hi, Dear, Greetings, etc.)
- Identify yourself (full name and student ID#)
- Describe your question/situation/concern
- Closing (Best Wishes, Warmest Regards, Thank you for your time) + Your name

Keep In Mind:
- Be considerate- do not send the same email to multiple counselors or CC multiple counselors when you are looking for only ONE person to respond
- Patience- we receive lots of emails, especially during busy periods (enrollment), we will respond to emails in the order they are received. Do NOT send the same email/questions multiple times.
GPA BELOW 2.0?

Academic Probation
• 1.5-1.99 = One quarter probation
  • You will receive an email the following quarter if you are placed on probation

Two Term
• Two terms in a row falling below a 2.0 GPA = Exit from Engineering
  • Recommend to change major to U/U
  • Required to sign Exit Contract

The 1.5 Rule
• GPA 1.49 >= Exit from Engineering
  • Recommend to change major to U/U
  • Required to sign Exit Contract

DO NOT IGNORE EMAIL REGARDING PROBATION STATUS!!!
REPEATING COURSES

• If you get a C or higher, you CANNOT repeat the course
• C- or lower, a course can be repeated
  • Generally, D- can allow you to continue with your course sequence
  • Aerospace, Chemical, Civil, CSE, Environmental, MSE, and Mechanical have graded prerequisites. Refer to catalogue for more information
• Speak with a counselor if you want/need to repeat a course!
• Physical Sciences Repeat Policy- courses like Math, Physics, Chemistry
  • Refer to comments/notes on WebSOC
PASS/NOT PASS

- All engineering/engineering-related courses must be taken for a letter grade.
- Max. of 12 units (3 classes) can count towards your degree (GE’s or minor)
  - 2 courses may be taken PNP for minors (excluding engineering minors).
- Change of major courses must be taken for a letter grade.
- May request to change grade option through Friday, week 10. (request through Enrollment Exceptions, which you can find in Student Access)

C or better is recorded as Pass
C- and below will be recorded as Not Pass (credit for course is not received and must be repeated)
ENROLLMENT INFO

• Schedule of Classes: End of Week 5
• View enrollment date and time: Monday Week 7
  • Can view on Webreg or Student Access
• Priority registration opens: Monday Week 8
• All windows open by Friday, Week 10
• When your assigned window opens:
  • 48 hours of unrestricted access
  • 7pm-7am following 48 hours

Unit cap lifts to 20 units

DECEMBER 20TH AT NOON
ENROLLMENT TIPS

• Course authorization
  • Necessary if prereq/coreq completed off campus
  • Submit online at undergraduate.eng.uci.edu.

• Finals schedule – always review when making schedule

• WebSOC comments – always review when having problems adding a course

• Full course? – waitlist if available, find another option

• Course components – add all (dis, lec, lab, tut)
WRITING

• Writing
  • Writing 39A must be completed by the start of your 4th term (Fall 2022)
  • Writing 39B + one additional lower division must be completed by the start of your 7th term (Fall 2023)
    • It is the student’s responsibility to ensure these courses are completed on time. **Writing cannot be taken outside of UCI!**
  • **Score of 4 or 5 on AP English Lit or Lang = Enroll in Writing 39C**
  • *****Placed in Academic English? Talk to advisor!*****
CHANGE OF MAJOR

• Changing within Engineering
  • *Undeclared Engineering Students*
    • *End of 1st year if in good academic standing*
    • Another engineering major – end of 1st year if COM requirements met

• Changing out of Engineering – [www.changeofmajor.uci.edu](http://www.changeofmajor.uci.edu)

*Please note that you should contact an academic advisor in the school that offers your intended major to talk about the change of major requirements. Engineering academic advisors cannot advise on majors outside of engineering.*

• Undergraduate/Uundeclared – if unsure of major

• Double Major
  • End of 2nd year with 3.0 GPA- overall and engineering
MINORS

• Add to complement a degree
• Add to enhance personal knowledge
  • You do not need to apply for most minors. For tracking purposes, you may request to have a minor added to your degree audit.
  • Adding a minor doesn’t clear you for enrollment beyond major restrictions
CAN I STUDY ABROAD?

- Yes, you can if you plan early!
- Meet with a counselor in Study Abroad Center PRIOR to meeting with academic counselor
- Decide on program & research course offerings
- Submit courses for review to undergrad office
- Review Study Abroad Checklist

DEGREE WORKS
MY DEGREE AUDIT IS NOT UPDATED?!

- What is not automatic:
  - Community college courses
  - Category VI (and VIII if you have four years of language)
  - Some AP/IB scores!!!

- When can I expect it to be updated?
  - By the end of your first year
  - undergraduate.eng.uci.edu -- degreeworks update request
CREATING YOUR PLAN OF STUDY

• First, write down your 2021 Fall courses
• Second, write down your 2022 Winter and 2022 Spring courses
• Helpful websites:
  • DegreeWorks- Access via Student Access on reg.uci.edu
  • Catalogue.uci.edu
  • Changeofmajor.uci.edu
  • Undergraduate.eng.uci.edu
• Lastly, upload your plan for an advisor to review and approve. Your plan of study will be due by Monday, Nov 1st at 4pm. Please include both Winter and Spring.

The HOLD will remain on your account until your plan of study has been reviewed.

*You will receive an email from an academic advisor after this session with the links above as well as a dropbox link for submission*
MATH PROGRESSION

Math 1B → Math 2A → Math 2B → Math 2D

Math 3A → Math 3D → Math 2E

***Math 2E is NOT required for Biomedical:Premed, Computer Engineering, and CSE!!!***
PHYSICS PROGRESSION

Physics 2 ➔ Physics 7C/LC ➔ Physics 7D/LD

Physics 7E

***Physics 7E is NOT required for Chemical, Civil, CSE, and Environmental majors!!!***
