Computer Science & Engineering Basic Science Electives

Students must complete two basic science electives selected from any Cat II General Education except those courses that are Computer Science & Engineering, Engineering, ICS, Economics or Math related.

Computer Science & Engineering Technical Electives

Students must complete a minimum of two courses (3 or more units each) of technical electives chosen from the following:

Computer Science: 100 - 189 (except COMPSCI 121)

Electrical Engineering & Computer Science: 100 - 189, 199

Informatics: 100 - 139

ENGR 7A & 7B*

Notes:

- *ENGR 7A & 7B must both be taken to count as a technical elective. ENGR 7A & 7B are available only to first year students in Fall & Winter quarters.
- Basic Science Electives and Technical Electives are taken in addition to core degree requirements.
