Notice of Academic Senate Annual Election  
March 1, 2022 – March 15, 2022

Members of the Irvine Division,

As directed by the Divisional Bylaws, the Committee on Committees hereby presents its Slate of Nominees and its Slate of Appointees to fill vacancies on Senate committees for the 2022-23 academic year. You can find both slates at the following address: https://senate.uci.edu/senate-election/.

Slate of Nominees
The Chair Elect-Secretary of the Division and the members of the Council on Academic Personnel and the Committee on Committees are elected positions. The Irvine Division of the Academic Senate will conduct its election from March 1, 2022 through March 15, 2022. You may add a candidate to the ballot by filling out the appropriate Nominating Petition Form, available at the following website (instructions are on the form).

Slate of Appointees
These appointments are considered final unless the Committee on Committees receives a Nominating Petition Form for Appointed Positions, available at the following website (instructions are on the form). If any forms are received for an appointed position, the slate then becomes a slate of nominees and this category will be added to the ballot.

The Committee on Committees strives to match faculty interests with committee vacancies, and this year we were able to match 57 people with their responses to the Committee Interest Survey.

Voting instructions will be emailed to all members of the Irvine Division on March 1, 2022. The election will be conducted by electronic vote.

All Senate members are bound by the Faculty Code of Conduct and the ethical principles embodied therein. There is an expectation that campaigning and public comments during the electoral process will be done in a collegial way and with openness and a fair opportunity for response.

On behalf of the Committee on Committees,

Lindsey Richland, Chair  
Committee on Committees
