Learn what’s it’s like to manage a stock portfolio!

Are you a high schooler and interested in learning more about finance and stock trading? Join this competition to see if you have what it takes to make millions in the stock market.

- Participants get a virtual sum of $1,000,000 to begin the contest.
- Using the virtual trading platform, participants try to increase the value of their portfolio.
- Top prize is $900 cash; second place prize is $600 cash and third place winner gets $300 cash.

The Details

You must be a rising 9th through 12th grader to participate.

$50 per registration (Early bird discount 25% before April 30).

Registration open April 4 to May 27 at jindal.utdallas.edu/top-trader/

You do not need to be a resident of Texas to take part. You can participate from anywhere in the U.S. if you have an internet connection.

Event runs June 6 – July 29
