Program Description
Led by top-tier faculty at The University of Texas at Dallas, the Master of Business Administration (MBA) degree program offers students a world-class education and a fast track to career advancement, training future industry leaders to develop sound business solutions by utilizing strong analytical problem-solving skills, team-oriented approaches, and strategic planning.

Offered in multiple formats to meet the needs of all learners—from full-time students to working professionals—the MBA programs at the Naveen Jindal School of Management have earned consistently high rankings by U.S. News and World Report, Bloomberg Businessweek, the Financial Times, and other well-known publications. With flexible formats that cater to all lifestyles—and with 200 electives, 15 concentrations and 13 double degrees that are also available—students can choose the MBA program that works best for them:

• **Full-Time MBA Program:** In this program, students join a small cohort of 50 students, receive guidance from an executive mentor and a career coach, and complete their degrees in 18 months.
• **Professional MBA Evening Cohort Program:** Students enrolled in the MBA Evening Cohort Program are able to work full-time while developing strong ties to a cohort of likeminded working professionals. These students take core courses together and participate in customized networking events with local alumni and employers.
• **Professional MBA Flex Program:** The MBA Flex Program is designed to provide students with maximum flexibility. Students have the ability to choose when and how often they want to take courses and determine whether they want to take in-person or online courses (or a mix of both).
• **Professional MBA Online Program:** The MBA Online Program offers students from across the world the unique opportunity to design their educational journey around their personal and professional needs. Courses are taught entirely online with seats reserved for students in this program. Virtual course demos are available for interested applicants.
• **Executive MBA Programs:** This Saturdays-only program is designed with working professionals in mind, providing the flexibility students need to balance work, life and education. The program begins with essential business foundations, emphasizes strategies for performance transformation, and prepares business professionals to be C-suite effective.

Benefits
The MBA program ensures students gain a broad understanding of business administration, apply their knowledge and analytical skills to create effective and novel solutions to practical problems and communicate and work effectively in collaborative environments.

Other benefits include:
• **World-Class Faculty:** The program is led by faculty of the Naveen Jindal School of Management who are widely cited experts in their respective fields, many of whom also have professional industry experience.
• **Comprehensive Curriculum:** Courses in the MBA program will introduce students to new ideas, technologies and competencies while also teaching them the knowledge they’ll need to thrive in competitive, ever-changing industries.
• **Degree Concentrations**: These provide an opportunity for students to further develop their ability to analyze, communicate, incorporate theory into practice and develop the critical decision-making skills necessary to succeed in a global economy.

• **Double Degree Pathways**: The double degree option allows students to share coursework between two degrees and take advantage of potential time and tuition benefits.

• **Flexibility**: The program offers a variety of options and hundreds of electives. Students have the choice to complete their degrees in-person or online.

• **Facilities**: The School of Management building and Jindal School Addition provide students with more than 300,000 square feet of classroom, computer labs and study areas including specialized labs for financial trading, business communications, accounting and sales.

• **Location**: Situated in the greater Dallas region—recently rated by *Forbes* magazine as the #1 “Best City for Jobs”—UT Dallas provides students with easy access to employers and internship opportunities, not to mention a large and supportive alumni population.

### Career Opportunities
Graduates of the program have found a wide range of positions in many different fields:

The University of Texas at Dallas

The University of Texas at Dallas Naveen Jindal School of Management (JSOM) is the largest of UT Dallas’ eight schools, with an enrollment of about 9,000 with almost half who are graduate students. The school provides outstanding tuition value, a wide variety of classes on campus and online, flexible scheduling and a convenient location. The Jindal School of Management keeps abreast of business needs as an essential component in providing students with rigorous training and relevant skills for professional success. Programs are offered at the undergraduate, MBA, master’s, PhD and executive levels. Programs are organized around six broad topics of business specialization:

- Accounting
- Finance and Managerial Economics
- Information Systems
- Marketing
- Operations Management
- Organizations, Strategy and International Management

A broad array of internship and scholarship opportunities is made available to Jindal School students each academic year. The school operates its own Career Management Center, which students may use in addition to the campus-wide UT Dallas Career Center. More than 70 student organizations are based in the school. Most of these focus on career development in specific fields and build networking, internship and employment opportunities. U.S. News & World Report (2021) ranks the school’s Full-Time MBA program at No. 33 (tied) in the nation and tied for No. 12 (tied) among public university programs in the United States. In the same ranking, the publication places the Professional (Part-Time) MBA at No. 19 (tied) in the nation.

Location
The Jindal School benefits from its location in the Dallas-Fort Worth area, a center of industry and trade that places a high value on ingenuity and entrepreneurship. Foreign Policy magazine named Dallas one of only five U.S. cities in the top 25 in its projection of the “most dynamic cities in the world in 2025.”
